†Parcel post service suspended during winter.

The ordinary (surface) rates of postage apply to all classes of mail conveyed to and from other Post Offices in Canada served by air stage service not included in the foregoing list.

(4) Similarity in Post Office Names.—Care should be exercised in the sortation of mail to the following places in Newfoundland:

Broad Cove, Bonavista Bay and Broad Cove, B.D.V.
Burnt Head "Cupids", Burnt Head "Carbonear" and Burnt Point, B.D.V.
Caplin Cove, Trinity Bay and Caplin Cove, B.D.V.
Salmon Cove, C.B. and Salmon Cove, B.D.V.
Upper Island Cove, C.B. and Lower Island Cove, B.D.V.

The Postmaster at Thamesford, Ontario, reports that a considerable amount of mail is being received at his office addressed for Evelyn, Ontario, a non-post office point.

In future, all mail for Evelyn, Ontario, should be sent to Thorndale, Ontario, for forward despatch.

(5) Western Germany—Invoices required with Commercial Papers.—The Administration of the Federal Republic of Germany (Western Germany and Western Sectors of Berlin) announces that commercial parcels and letter packages containing articles subject to Customs duty addressed to that country must be accompanied by an invoice in duplicate. These forms are to be fastened to the non-adhesive customs declaration. They are NOT required in connection with gift parcels (or letter packages).

Interested mailers should be informed of this requirement of the German authorities.

(6) Insurance Label 176 Must Be Affixed to Insured Parcels Addressed to Other Countries.—It has been reported that insured parcels are being received in Great Britain from Canada without the required insurance label No. 176.

The attention of all postal employees is directed to the necessity of affixing label No. 176 to each insured parcel addressed to another country. The insured number must also appear on the parcel. The purpose of this red label is to make certain that insured parcels will be observed at the despatching exchange office and properly handled. The absence of the label may result in insured parcels being treated as ordinary parcels.

Postmasters should, if necessary, make requisition for these labels from their usual source of supply. It is particularly important that the forms should be available at all Post Offices during the Christmas mailing period.

(7) Rates of postage from other countries to Canada.—Postmasters are advised that the rates of postage on letters and postcards from the countries listed below are as follows:—

Country	1st Weight	2nd Weight	Postcards
French Indo China	1·90 piastres	1·10 piastres	1·10 piastres
Macao	39 avos	23 avos	23 avos
Portuguese Timor	39 avos	23 avos	23 avos
Korea	200 Wons	120 Wons	120 Wons

The above is to be substituted for the corresponding entries in the list of postage rates from Foreign Countries, commencing on page 85 of the 1947 (Reprint) edition of the Canada Official Postal Guide.

Surcharges should be collected according to Post Office Markings.

(8) Addressing of Mail for Canadian Armed Forces in Korea and Europe.—Information has been received that in some instances mail for the Canadian Armed Forces in Europe has been misrouted via Vancouver, instead of via Montreal, with consequent delay in transmission.

Mail for the Forces in Europe directed to:

C.A.P.O. 5050
or 5051
must be marked c/o Postmaster,
Montreal, P.Q.

Mail for the Forces in Korea directed to:

C.A.P.O. 5000
5001
or 5003
must be marked c/o Postmaster,
Vancouver, B.C.

It should therefore be noted by all concerned that the address of mail for the Canadian Forces in Korea and Europe must include the direction, c/o Postmaster, Vancouver, or Montreal.

Postmasters are also reminded that, whether or not Vancouver or Montreal is included in the address, mail bearing a C.A.P.O. number mentioned above is to be routed as indicated to Vancouver or Montreal.

(9) Resumption of mail service to Republic of Korea.—Effective immediately the mail service including parcel post is resumed to the Republic of Korea.

OBSERVATIONS—

All mail should bear the name of the addressee, street, district, town and province.

The mail service is available only to the provinces comprising the Republic of Korea i.e.: the provinces south of the thirty-eight parallel of latitude as follows,—

Cheju – do	*Hwanghae – do
Cholla – namdo	*Kangwon – do
Cholla – pukto	*Kyonggi – do
Ch'ungch'ong – namdo	Kyongsang – namdo
Ch'ungch'ong – pukto	Kyongsang – pukto

The provinces marked with the asterisk (*) are divided by the thirty-eight parallel of latitude and it is the responsibility of the mailers to determine that the post offices to which their mail is addressed are located south of the thirty-eighth parallel. Mail addressed to offices north of the thirty-eighth parallel will not be forwarded to destination but will be treated as undeliverable.

Vancouver will be the Canadian despatching exchange office and all mail including parcel post for the Republic of Korea should be centralized on that office for onward transmission to destination.

(10) Brazil—Parcel Post—Import Permits Required.—The Postal Administration of Brazil has announced that merchandise imported by Parcel Post into that country is delivered only if the addressees present to the Brazilian Customs an import permit issued in advance by the Bureau of Exportation and Importation of the Bank of Brazil. Parcels arriving in Brazil for which an import permit has not been issued are considered contraband and confiscated.

Certain articles, however, are not subject to the requirement of an import permit in Brazil, and information in this regard may be procured from Consuls of Brazil in Canada at Halifax, N.S., Montreal, P.Q., St. John's ,Nfld., Toronto, Ont. and Vancouver, B.C.

Whenever possible interested mailers should be informed accordingly.

(11) France—Parcel Post Insurance.—Postmasters are informed that gift parcels for France cannot be insured.

INFORMATION FOR POSTMASTERS

(1) New Post Office at Pukatawagan, Manitoba, Served via Sherridon—Lynn Lake—A.S.S. (C. A. M. 51).—A new post office has been established at Pukatawagan, Manitoba, to be served by the Sherridon-Lynn Lake Air Stage Service on a schedule of one round trip per week.

4c. for the first ounce, 2c. each ounce after.

Second Class Matter—
When mailed by the public: 2c. first 4 ounces and 1c. each additional 4 ounces or fraction of 4 ounces to each separate address.
When mailed from the office of publication or from newsdealers to subscribers: 4c. per pound.

Third Class Matter—
2c. for the first 2 ounces and 1c. for each additional 2 ounces or fraction thereof to each separate address.

Parcel Post—
15c. per lb. or fraction of a lb. up to and including 10 lb.
$1.80 per parcel over 10 lb. up to and including 15 lb.
$2.40 per parcel over 15 lb. up to and including 20 lb.
$3.00 per parcel over 20 lb. up to and including 25 lb.

(2) Change in the Transient Rate of Postage on Newspapers and Periodicals.—Postmasters are reminded that copies of duly recognized Canadian, British and foreign newspapers and periodicals POSTED BY THE GENERAL PUBLIC for delivery at places in Canada, the United States or Mexico, are subject to postage at 2c. for the first 4 oz. and 1c. for each additional 4 oz., or fraction of 4 oz., to each separate address.

CANADIAN newspapers and periodicals POSTED BY THE GENERAL PUBLIC may be sent at the same rate to places in Great Britain, the Commonwealth, France, Spain and North and South America.

Postmasters are requested to amend Section 70 of their copies of the Canada Official Postal Guide accordingly.

(3) Postage Rates on Notice of Meeting Cards.—Postmasters are informed that in future Notice of Meeting Cards completed in handwriting or typewriting with the time, place and date of meeting may be accepted at the third class rate of postage of 2c. for the first two ounces and 1c. for each additional two ounces or fraction of two ounces to each separate address.

Postmasters are, therefore, requested to amend their copies of the Postal Guide accordingly by adding to Section 85 (e), the following: Notice of Meeting Cards; the time, date and place of meeting.

(4) Discontinue Issue of 10c. Special Delivery Stamp.—The Department has decided to discontinue the printing and issue of the 10c. special delivery postage stamp because of the comparatively small sale of this item. When present stocks of this stamp are exhausted, patrons are to be advised to use an ordinary issue 10c. stamp to pay for the special delivery service. In all cases, letters for special delivery service must be clearly marked "Special Delivery", preferably by the use of the dark red gummed label, S.D. 8, which is to be supplied by Post Offices, or by writing the words Special Delivery on the envelope.

Section 225 of the Postal Guide is to be amended by the deletion of the words "Special Delivery Stamps—10c. each."

(5) Letter Carrier Delivery Service Established at Burlington, Freeman and Port Nelson, Ontario.—A Letter Carrier Delivery Service has been established at Burlington, Freeman and Port Nelson, Ontario, with delivery emanating for these points from Burlington. The name of the Burlington Post Office should be added in alphabetical order to the list in Section 11, Page 15 of the Postal Guide at which points letters and parcels prepaid for special delivery may be delivered by special messenger. (See also Section 123 of the Postal Guide regarding special delivery of parcels.)

(6) New Air Parcel Post Rates.—Postmasters are reminded that new **air** parcel post rates within Canada, as shown on the following schedules, are now in effect.

The following regulations apply to air parcels:

Limit of Size—combined length and girth not to exceed 72 inches and no one dimension may exceed 36 inches;

Limit of Weight—25 pounds.

Unpaid or Insufficiently Prepaid Air Parcels—to be treated in accordance with the provisions of Section 120 of the Postal Guide;

Redirected Air Parcels—Air parcels when redirected are to be accorded air transmission by all air services available and redirection charges at air parcel post rates charged in accordance with the provisions of Section 126 of the Postal Guide;

Undeliverable Air Parcels returned to the sender are to be returned by surface means and taxed at the ordinary parcel post rates applicable;

Insurance—The regulations outlined in Sections 145 to 150 also apply to air parcel post;

Air parcels may be accepted for C.O.D. service upon payment of the usual C.O.D. fee;

If the contents of an air parcel are **not insurable** and the sender desires protection, he may prepay the parcel at the **air letter rate,** and have it sent under registration on payment of the usual registration fee.

Examples of how the new rates are to be applied will be found on page 16.

Supplies of new air parcel post rate cards for distribution to mailers may be obtained from your usual source of supply.

(a) Parcels weighing up to 10 pounds.

EXAMPLE—1. A 2 lb. 2 oz. parcel mailed in Ontario for delivery in Ontario would be subject to the 2 lb. air parcel post rate of 40c. plus 5c. for each ounce over the even pound making a total postage charge of 50c.

2. A 4 lb. 6 oz. parcel mailed in Ontario for delivery in Quebec would be subject to the rate of $1.25—i.e. the 4 lb. air parcel post rate of $1.00 plus 5c. for each ounce over 4 lb. until the 5 lb. rate of $1.25 is reached.

3. A 5 lb. 3 oz. parcel mailed in Ontario for delivery at a post office in Manitoba served by an air stage route on which ordinary air stage parcel rates (15c. per pound, etc.) are in effect would be subject to the 5 lb. air parcel post rate of $1.25 plus 5c. for each ounce over 5 lb, making a total charge of $1.40.

(b) Parcels weighing over 10 pounds and up to 25 pounds.

EXAMPLE—1. A 14 lb. parcel mailed in Ontario for delivery in the Maritimes would be subject to the 10 lb. rate of $3.00 plus 30c. per pound for each pound over 10 lb. making a total postage charge of $4.20.

2. An 18 lb. 7 oz. parcel mailed in Ontario for delivery in Newfoundland would be subject to the rate of $8.45—i.e. the 10 lb. rate of $4.50 plus 45c. per pound for each pound over 10 lb. in addition to 5c. for each ounce over 18 lb.

3. A 23 lb. 1 oz. parcel mailed in Ontario for delivery in Ontario would be subject to a charge of $4.65—i.e. the 10 lb. rate of $2.00 plus 20c. for each pound over 10 lb., plus 5c. for the 1 oz. over 23 lb.

(7) **Similarity in Post Office Names.**—The Postmaster at Pipestone Creek, Alberta, reports that mail intended for Pipeston, Manitoba, is frequently received at his office.

It is also reported that a considerable amount of mail is being received at Aylmer West, Ontario, addressed for Aylmer East, Quebec.

Care should be exercised in the sortation of mail for the following places:—

Rutland, Sask., Rutland, Vermont, and No. 1 Fighter Wing, Rutland, United Kingdom.

Flat Islands, Bonavista Bay, Newfoundland, Flat Islands, Placentia Bay, Newfoundland, andjFlat Islands, Labrador, Newfoundland.

Greater care is to be exercised in the sortation of mail for Minnehik and Menaik, Alberta.

Mail addressed to Buck Lake, Alta., a non-post office point, should be sent to Minnehik, Alberta.

(8) Armed Forces—Postage Rates.—The recent introduction by the Postmaster General of the Armed Forces Air Letter rounds out the concessions which have been granted from time to time to members of the Canadian Forces serving overseas.

The Armed "Forces Letter" may be used not only by friends and relatives when communicating with members of the Forces either in Korea or in Europe or at any other point outside of Canada but may also be used by members of the Forces themselves in communicating with their friends at home.

These special forms, which are buff in colour, will be available at any Post Office in Canada and also at Canadian Field Post Offices established in a field of operations. The postage rate of 5c. will apply in all circumstances, no matter where the member of the Forces may be located.

This 5c. Armed Forces Letter is in addition to the special air mail rate which is now in effect for members of the Armed Forces serving in Korea, which is 7c. for the first ounce and 5c. for each additional ounce. This is the equivalent of the domestic air rate, and covers air transportation in Canada and air transportation on transport aircraft flying between Canada and the Korean theatre of operations.

The reductions which have been made in parcel post rates apply to members of the Forces whether in Korea, in Western Europe, or at any other point where a military address is used. The rate is 15c. a pound, which is an appreciable reduction in the rates normally charged on parcel post to the areas in question. The limit of weight in this case is 10 pounds.

Another concession which is granted to the Forces in Korea is the elimination of the commission and excise tax on Money Orders.

The free postage privilege applies to letters up to one ounce in weight mailed by the members of the Armed Forces in the Korean theatre. This normally covers surface transportation to Canada, but whenever space is available on home-bound aircraft advantage is taken of air transport without cost to the sender.

(9) Special "Forces Letter" for Air Transmission to and from Naval Personnel Overseas.—The 5c. Forces Letter may be used in writing to Canadian naval personnel provided the address includes, in addition to the usual particulars, the name of the H.M.C. Ship and either of the following designations:

CNPO 5071 c/o Postmaster, Halifax, N.S.
or
CNPO 5075 c/o Postmaster, Victoria, B.C.

These forms may also be used by such personnel to communicate with their correspondents in Canada.

(10) France—Money and Valuable Articles Admitted Only in Registered Letters.—The enclosure of money and other valuable articles in unregistered letters or parcels for delivery in other countries is prohibited by international Postal Law and therefore such articles cannot be accepted for transmission abroad unless enclosed in registered letters.

Information has just been received from the Postal Administration of France that bank notes are being received in that country from Canada in ordinary (unregistered) letters by air mail despite the prohibition mentioned above. The exchange control regulations in France also prohibit the entry of valuable articles by ordinary mail; and instruments of payment such as currency, securities, etc. must also be accompanied by an import permit issued by the French Authorities. Articles of this kind, received in France, contrary to these regulations, may be seized by the French Customs and the addressees subjected to a fine.

Interested mailers and postal personnel concerned should therefore carefully note these regulations in order to avoid serious difficulties and possible loss through unauthorized use of the mails and disregard for import regulations, as outlined above.

(11) Amendments to the Quarterly Table of Parcel Post Rates appearing in The January 1951 Supplement To The Postal Guide.—Postmasters are requested to make the following amendments in their copies of the January 1951 Supplement.

Page 31—Zanzibar,.....amend rate apprearing in 10 lb. column to read $2.55.

(12) Revised Parcel Post Rates to Great Britain.—Effective 1st January 1952 the Parcel Post rates **on all parcels** to Great Britain are as follows:—

The special gift parcel rates thus discontinued on 1st January 1952 the yellow label No. 61 will not be required on gift parcels to Great Britain after that date, and any stocks on hand at post offices should be returned to the Purchasing and Stationery Division.

An explanation of the circumstances which made these changes necessary was published in the Weekly Bulletin of 27th October 1951.

It should be specially noted that there is no change in the regulations as regards insurance, that is gift parcels containing food cannot be insured.

INFORMATION FOR POSTMASTERS

(1) **The Pas—Moose Lake, Man. A.S.S. (C.A.M. 71).**—A new air stage service (C.A.M. 71 in Air Mail Schedules) has been authorized between The Pas and Moose Lake, Manitoba.

This air stage service, commencing on February 1st, 1952, operates on a frequency of two round trips per month to be performed on the first and third Thursday of each month.

All classes of mail posted at or addressed for delivery at Moose Lake, will be subject to the ordinary (surface) rates of postage.

(2) **Acceptance of Registered Articles.**—When a registered article is presented for mailing, every possible care is to be taken to see that:

(a) It is fully prepaid both as regards ordinary postage charges and registration fee (sender should be informed of the added protection afforded by the higher fees);
(b) A receipt duly completed is given to the sender;
(c) An impression of "Registration No." (R. No.) stamp is placed on the cover and a number given the article;
(d) An entry is made in registered record;
(e) The postage stamps are properly cancelled; and
(f) The article is properly date-stamped on the addressed side, and twice back-stamped upon the closing flap.

Enquiry should also be made as to the nature of the contents of a packet tendered for registration. When the contents are of such a nature as to preclude the payment of indemnity for damage, viz. glassware, (especially spectacles), liquids, watches, etc., (see Section 192, Page 51 of the Canada Official Postal Guide), the sender is to be so advised and the Registration Certificate properly checked in the space provided "Against LOSS ONLY." In other "fragile" cases, the Postmaster must satisfy himself that the contents are fully protected.

(3) **Similarity in Post Office Names.**—Care should be exercised in the sortation of mail for the following places:—

Cowichan Station, B.C., Cowichan, B.C. and Lake Cowichan, B.C.;
Riverdale, Digby County, N.S. and Riversdale, Colchester County, N.S.; and
Whitley, Ont., Whitby, Ont., Whitney, Ont. and Whetley, Mass., U.S.A.

The Postmaster at Langdon, Alberta, reports that a considerable amount of mail is being received at his office addressed to Langdon, Ontario.

Langdon, Ontario, is a non-post office point on the Algoma-Central and Hudson Bay Railway, seven miles south of Oba, Ontario.

Care should be exercised in the sortation of mail for these places.

Care should also be exercised in the sortation of mail for Branchton, Ontario and Brampton, Ontario.

(4) **Parcel Post Service to Martinique (French West Indies).**—Postmasters are advised that effective the 14th February 1952, parcels for Martinique will be despatched solely via the United States. This route will replace the one existing via the United Kingdom.

The following rates will apply:

1 lb	$ 0.40	6 lb	$ 1.35
2 lb	0.60	7 lb	1.55
3 lb	0.75	8 lb	1.70
4 lb	0.95	9 lb	1.90
5 lb	1.15	10 lb	2.10
		11 lb	2.30

All parcels should be forwarded to Montreal, to be included in the parcel mails made up by that office for despatch via New York.

Parcel post must not be accepted for Insurance.

The regulations as to packing, Customs declarations, prohibited articles, etc., will be the same as those which applied to such parcels when routed via England.

(5) **China—Registration Service available only to Formosa (Taiwan).**—Postmasters and all others concerned are reminded that Registration Service to China is available only to Formosa (Taiwan).

Mail for other destinations, including the mainland of China and the Island of Hainan, cannot be accepted for registration.

Mailers should be advised accordingly.

(6) **Rates of Postage On Parcels for St. Lucia.**—Reference is made to the parcel post rates to St. Lucia appearing on page 26 of the January Supplement to the Postal Guide.

The correct rate on a 5 pound parcel forwarded via the direct service is $0.60.

(7) **Armed Forces—Customs Declarations Required on Gift Parcels.**—It has been observed that gift parcels for the Canadian Armed Forces serving in Europe are being accepted without the required Customs Declaration 91B.

The attention of all concerned is therefore directed to the fact that Customs Declaration form 91B must be completed to show details of the contents, and affixed to all gift parcels for the Armed Forces serving outside of Canada. Failure to observe this regulation will result in delay in delivery and complications with the authorities overseas.

Mailers should be reminded of this requirement, and parcels should not be accepted unless a properly completed Declaration is affixed, indicating full particulars of the contents.

(8) **Israel—Customs Declarations.**—The Postal Administration of Israel requires that the Customs Declarations of food parcels destined to that country should be completed in detail to facilitate Customs clearance.

Mailers should be reminded of the above requirement when parcels are presented for delivery in Israel. This is the usual procedure applicable to all parcels for destinations outside of Canada.

(9) **China—Taiwan (Formosa)—Import Permits.**—Information has been received that, with the following exceptions, import permits must be presented by the addressee of all parcels, at the time of delivery:

1. Articles for personal or family use not exceeding $25.00 in value.
2. Gift parcels not exceeding $25.00 in value.

If the above conditions are not complied with parcels are returned to origin.

Whenever possible, interested mailers should be informed of these regulations of the Chinese authorities of Taiwan.

INFORMATION FOR POSTMASTERS

(1) **Air Stage Service, Rimouski, P.Q.—North Shore of the St. Lawrence Discontinued.**—The Winter Air Stage Service, operating between Rimouski and the North Shore of the St. Lawrence River (C.A.M. 42) in Air Mail Schedules, has been discontinued for the present season.

The Summer Air Stage Services Rimouski-Baie Comeau—Sept Iles, C.A.M. 17 and Sept. Iles—Havre St. Pierre, C.A.M. 18 are now in operation. Only first class mail and Air Parcel Post are conveyed over these Air Mail Services. Other classes of mail are conveyed by surface transport at ordinary rates of postage.

(2) **New Air Mail Service—Vancouver—Powell River A.M.S. CAM 19.**—A new Air Mail Service has been inaugurated between Vancouver and Powell River, B.C. to operate the year round on a frequency of one round trip daily.

Only first class mail and parcels prepaid at the air parcel post rates will be conveyed over this Air Mail Service. Other classes of mail are conveyed by surface transport at ordinary rates of postage.

(3) **Summer Mail Service to Yukon.**—Navigation in the Yukon is expected to open about June 1. Surface conveyance of mail in the Yukon will then be resumed and Summer Service Parcel Post rates to the Yukon will be in effect.

Postmasters will please give the above every publicity.

(4) **Rate of Postage Applicable to Premium Coupons.**—Reference is made to Notice No. 2 published in the October 1951 issue of the Monthly Supplement respecting the non-acceptance of negotiable coupons for insurance.

Postmasters are reminded that premium coupons OF NEGOTIABLE VALUE are not to be accepted for parcel post insurance and if protection in course of post is requested the senders are to be advised to prepay postage at letter rates and register such items.

The above, however, does not apply to ordinary mailings of premium coupons when there is no question of protection. Premium coupons for which no protection in course of post is requested may be accepted at the third class rate or at the parcel post rates at the option of the senders provided no handwritten or typewritten communications are included therewith and they are mailed in unsealed covers open to Postal inspection.

(5) **Care to be Exercised in Treatment of "Householder" Mail.**—Postmasters are reminded that "Householder" mail is in the same category as any other class of mail on which postage has been paid and the same care should be taken in effecting delivery of "Householder" matter as that of individually addressed mail.

A serious view is taken of any wilful or negligent handling of this class of mail, and Postmasters are, therefore, requested to particularly observe the following points:—

(a) Care must be taken to ensure that no householder receives more than one copy of a householder circular.

(b) "Householder" mail must not be left in places in the Post Office where it can be picked up by the general public.

(c) Surplus supplies of "Householder" mail should be promptly treated in accordance with the Postal regulations governing the disposal of undeliverable third class mail.

(6) **Form 67B NOT to be used in Connection with Undeliverable Third Class Matter.**—The attention of Postmasters is directed to Notice No. 3, published in the August, 1951, issue of the monthly Supplement on the above subject.

It is reported that in certain cases, Postmasters are continuing to use form 67B to notify mailers when items of mail matter, particularly publications prepaid at the THIRD CLASS RATE OF POSTAGE prove undeliverable.

Undeliverable "Request" or "Address" third class matter is to be handled in accordance with sections 130 and 131 of the 1952-53 Postal Guide i.e. returned to the senders subject to a charge equal to the original postage.

Under no circumstances is form 67B to be used in connection with third class matter either to notify mailers of changes of address or that the items are undeliverable.

Postmasters and postal employees concerned will please exercise special care in seeing that form 67B is used only to notify publishers of newspapers and periodicals (second class matter) as to changes of address and undeliverable copies of their publications in accordance with Section 80 of the 1952-53 Canada Official Postal Guide.

(7) **Date-Stamping of Business Reply Cards and Envelopes.**—Information has been received that 4-cent business reply cards and 5-cent business reply envelopes are not always date-stamped at the office of mailing.

Postmasters and Postal employees concerned will please exercise special care in seeing that such items are properly date-stamped before being forwarded to the Post Office of destination in accordance with the instructions contained in Section 6 of the Canada Official Postal Guide.

(8) **Similarity in Post Office Names.**—The Postmaster at Warner, Alberta, reports that letters and other articles of mail are frequently received at his office addressed for delivery to Wagner, Alberta, a non-post office point.

Mail for Wagner, Alberta, should be sorted to Ed. and D.C. R.P.O.

The attention of Postmasters and Railway Mail Clerks is also directed to the similarity in names of the following places:—Balfour, B.C. and Balfour, Ontario, a non-post office point served from South Bay Post Office, Ontario; Melville, Saskatchewan, and Neville, Saskatchewan; Remac, B.C. and Remo, B.C. Mail for Remac, B.C. should be sorted to Nelson, B.C. and that for Remo, B.C., should be sorted to P.G. and P.R., R.P.O.

Care should be exercised in the sortation of mail for Baytree, Alberta, and Baintree, Alberta. Baintree, Alberta, is served by Cal. and Cam. R.P.O. No. 1. Baytree, Alberta, receives its mail through Pouce Coupé which is served by Edmonton and Dawson Creek R.P.O. No. 2.

Care should also be exercised in the sortation of mail for Monarch, Alberta, and Western Monarch, Alberta. Western Monarch, a new post office, is served through Drumheller, Alberta. Monarch, Alberta, is between Lethbridge and MacLeod and served by trains 12 and 541.

(9) **Canadian Armed Forces in Europe—Gift Parcels.**—Information has been received that gift parcels for the Canadian Armed Forces in Europe are being accepted for transmission without the required Customs Declaration form 91B, and insufficiently prepaid.

Postmasters and all others concerned should therefore exercise the utmost vigilence to see that such parcels directed to CAPO 5050 or 5051 and marked c/o Postmaster, Montreal, bear a properly completed Customs Declaration, and are fully prepaid at the rate of 15c per pound, up to the weight limit of 10 pounds.

Mailers are to be reminded that compliance with these regulations is necessary as regards all parcels for the Canadian Forces in Europe.

It should be brought specially to the attention of mailers that failure to affix the Customs Declaration could result in confiscation of the parcel by Customs Authorities in Europe.

(10) **Use of "The Forces Letter" by United Kingdom Armed Forces Serving in Canada.**—The "Forces Letter" may now be used by members of the United Kingdom Armed Forces (including the Army, the Royal Air Force and the Royal Navy) serving in Canada, for communicating with their families and friends in the United Kingdom.

The usual rate of postage of 5 cents each for air transmission will apply and all such "Forces Letters" are to be forwarded to Montreal "AMF" in the usual manner.

(11) **Parcel Post Rates to Greece.**—As a result of the revision in the charges which Canada is required to pay for the conveyance of parcels to Greece the rates of postage have been altered and effective the 3rd April 1952 will be as follows:

Via England

1 lb.....	$0.70	6 lb.....	$1.90	Over 10 lb. up to 15 lb.
2 lb.....	0.85	7 lb.....	2.00	$4.00
3 lb.....	1.50	8 lb.....	2.50	
4 lb.....	1.65	9 lb.....	2.65	Over 15 lb. up to 20 lb.

Second, third and fourth class matter is carried by **Steamer Service** at ordinary postage rates.

(5) **Identification of Air Parcel Post.**—It has been reported that in certain instances air parcels presented for mailing are not properly and conspicuously identified for air transmission with the result that these items are forwarded via surface means.

Postmasters, therefore, are requested to impress upon all patrons of their office mailing parcels prepaid at the air parcel post rate that such items must be identified as air parcels by affixing air parcel post stickers on at least two opposite faces, one of which must be the address side.

These stickers are available for use by the public and postmasters may obtain supplies by making requisition in the usual way.

(6) **Similarity in Post Office Names.**—Care should be exercised in the sortation of mail to Bridge Lake, B.C. and Bridge River, B.C. Bridge River, B.C., a non-post office point, is served from Shalalth, B.C.

The District Post Office Inspector at Vancouver reports that a considerable amount of mail for Duncan Bay, B.C. a non-post office point, is being missent to Duncan, B.C.

Mail for Duncan Bay, B. C. should be forwarded to Campbell River, B. C. for distribution.

It is reported that a number of missorted items addressed to Grand Falls, New Brunswick, are being received at Grand Falls, Nfld.

Care should also be exercised in the sortation of mail for Campbell River, B.C. and Campbell Island, B.C.

(7) **Transmission of Honey Bees by Parcel Post.**—Postmasters are informed that honey bees must not be accepted for transmission in the mails if baggage car service or catch-post service is necessary. Shippers should consult the District Post Office Inspector for information as to places to which honey bees may be sent. (See Section 189 of the Postal Guide.)

(8) **Mexico—Parcel Post. Cigars and cigarettes Restricted.**—Information has been received from the Postal Administration of Mexico that the importation of cigars and cigarettes into that country is subject to restriction, that is, cigars and boxes of cigarettes not bearing Mexican fiscal stamps are prohibited entry.

Mailers of parcels to Mexico should be made aware of this regulation of the Mexican authorities.

(9) **Canadian Armed Forces in Europe—Gift Parcels.** — Information has been received that the quantities of certain articles which may be received monthly in gift parcels by personnel of the Canadian Armed Forces, serving on the Continent of Europe, (directed to CAPO 5050) are restricted as follows:

Tea	2 lbs.
Coffee	2 lbs.
Cocoa	2 lbs.
Sugar	4 lbs.
Saccharine	500 tablets.

Parcels are subject to inspection by Customs in Europe, who have the authority to remove quantities of the articles mentioned in excess of the amounts stated above.

Mailers of gift parcels to our forces in Europe should be cautioned to comply with this regulation; and to list the contents of parcels on the Customs Declaration, to avoid difficulty with the import authorities at destination.

(10) **Iraq—Importation and Exportation of gold and money subject to control.**—The Administration of Iraq has announced that the exportation and importation of gold, gold coins, and all types of money of other countries is prohibited, unless authorized by the Foreign Exchange Control Committee of Iraq.

The above is for the information of interested mailers.

(11) **Czechoslovakia—Conditions of Entry of Medicines sent as Gifts.**—The following regulations of the Czechoslovak authorities apply to gift consignments of medicine (including antibiotics) which are admitted duty free during 1952:

1. The addressee must present to Customs:
   (a) A permit from the Czechoslovak health authorities (Ustredna antibiotik) at Praha or Oblastni antibiotika stanice in the case of antibiotics, or Okresni narodni vybor in the case of other medicines.
   (b) A declaration that he is prepared to place at the disposal of the Public Health authorities, on payment of an indemnity the possible surplus of the medicines received.
2. The wrappers of the articles in question should bear an indication that the contents are gifts.

An import permit is not required for such consignments. Any abuse of this privilege will be subject to legal penalties.

These regulations of the authorities in Czechoslovakia should be brought to the attention of interested mailers.

(12) **Japan—Gift Parcels.**—The latest information concerning the conditions of entry of gift (relief) parcels to Japan, received from that country is as follows:

1. Such articles are now subject to the usual customs clearance fee, as well as the usual warehousing and redirection charge when applicable.
2. The articles mentioned below, if they do not exceed the weights or quantities indicated, are exempt from customs duty and inland tax, when enclosed in relief parcels.
3. Articles other than those enumerated below within the limited weight or quantity indicated, will be taxed, or required to have an import permit without which they will be returned to origin.
4. The weight limit of relief parcels is 11 lbs.

Mailers of relief parcels to Japan should be imformed of these regulations of the Japanese Authorities.

(13) **Hungary—Suspension of Gift Parcel Service.**—Owing to further restrictions imposed by the Hungarian authorities, and the impracticability of applying them it has become necessary to suspend temporarily the service for gift parcels to Hungary. The service for gift letter packages is also suspended until further notice.

In the circumstances, gift parcels and gift letter packages are not to be accepted for transmission to Hungary, and any in the mails are to be returned to the senders. Arrangements should be made to refund the postage prepaid thereon in the usual manner, through the District Post Office Inspector.

It should be noted that there has been no change whatever in the service for commercial parcels to Hungary, which should continue to be accepted as usual for transmission to destination. This also applies to commercial packages in the letter mails.

Appropriate explanation should be made to enquiries as regards this temporaty suspension of gift parcel service to Hungary.

(14) **United States—Importation of Fresh or Cured Meat Prohibited by Mail.**—As a result of the outbreak of foot and mouth disease in Canada, the importation into the United States by mail of fresh or cured beef, veal, mutton, lamb or pork is prohibited. Meat and products derived from goats, wild ruminants (deer, etc.) and wild swine, are also included in this prohibition. Parcels or letter packages containing these articles are, therefore, not to be accepted for transmission to the United States. Appropriate explanation is to be made to inquirers.

As an exception, however, meat sterilized by heat in hermetically sealed containers is permitted entry to the United States, and such articles may accordingly be accepted for transmission by mail to that country.

(15) **Japan—Prohibitions.**—The following is the latest information concerning articles prohibited entry or admitted only under restrictions into Japan.

INFORMATION FOR POSTMASTERS

(1) **Similarity in Post Office Names.**—The Postmaster at Parson, B.C. which is served via Cranbrook—Golden Stage, reports that mail addressed for delivery at Paxson, Alberta, a post office located in the Edmonton Postal District and served from Athabaska is being received at his office.

The Postmaster at Armen, Alberta, advises that he is receiving a considerable amount of mail addressed to Armada, Alberta and Cremona, Alberta.

Care should be exercised in the sortation of mail for Adams, Sask. and Edam, Sask.

Care should also be exercised in the sortation of mail addressed to North Burnaby and South Burnaby, B.C. which areas are served from the Vancouver Post Office. The Postmaster, New Westminster reports the receipt of a considerable volume of mail for these points.

(2) **Egypt—Use of Green Customs Label.**—According to information received from the Postal Administration of Egypt all articles regardless of value sent to that country are subject to customs control and (with the exception of correspondence and parcel post) must bear a properly completed Green Customs Label No. 185.

The attention of interested mailers should be directed to this requirement of the Egyptian authorities.

(3) **Uruguay—Parcel Post.**—Commercial Parcels—A commercial invoice should be attached to the Customs Declaration and Despatch Note which accompany such parcels.

When the value of the parcel exceeds 10 Uruguayan pesos (about $6.40) the addressee must obtain an import permit before delivery of the article.

Gift Parcels—Such parcels should be marked "Family Parcel" (Envio Familiar) or "Gift" (Obsequio).

Mailers of parcels to Uruguay should be informed of the above regulations of Uruguay.

(4) **Resumption of Mail Service to the Caroline, Mariana and Marshall Islands.**—Effective immediately, mail service, including air mail and parcel post, is resumed to the above mentioned destinations.

The rates of postage are as follows:

Letter Rate	4¢ for the first ounce and 2¢ each ounce after
Air Mail Rate	25¢ each ½ ounce
Canada Air Letters	15¢ each
Registration	20¢

Parcel Post—via United States.

1 lb.	$0.40	6 lb.	$1.35	Over 10 lb.
2 lb.	0.60	7 lb.	1.55	up to 15 lb.
3 lb.	0.75	8 lb.	1.70	$2.75
4 lb.	0.95	9 lb.	1.90	
5 lb.	1.15	10 lb.	2.10	

The prohibitions now in effect to the United States will also apply to these destinations.

For the present, Vancouver will be the only Canadian Exchange Office for the onward despatch of mail to the places outlined above and all mail should be forwarded to Vancouver Foreign for disposal.

As indicated in the current Postal Guide, mail service is already in operation to Guam of the Mariana Islands and to Nauru of the Marshall Islands.

(5) **Greece—Conditions of Entry of Gift Parcels.**—The conditions of entry of gift parcels to Greece during 1951 were outlined in a notice in the April 1951 Supplement to the Postal Guide. As explained in the April 1952 Supplement, the same conditions were to apply during the year 1952.

Notification has however been received from the Greek authorities that information in the second paragraph of the notice in the April 1951 Supplement should be amended to read as follows:

Individuals in Greece may also receive the following articles sent as gifts subject to payment of Customs duty reduced 50%, on the value.

1. New articles of clothing in linen, manufactured or not, as well as woollen underclothing up to 6 lb. in weight but not exceeding six pieces of each kind.

2. Bedding and linen up to 6 lb. in weight (with the exception of articles of natural silk).

The fourth paragraph is to be changed to read as follows:

Each addressee may also receive the following articles subject to payment of Customs duty, reduced 40%, on the value:

Portfolios, music cases, various instruments for students, childrens' games, women's handbags, hats, including felt hats, and spectacles. (Each addressee may receive only one article of these classes).

It should also be noted that woollen suits, manufactured or not, as well as nylon hose are subject to the usual Customs charges.

Interested mailers should be informed accordingly.

Third class matter	2c. first 2 oz.; 1c. each additional 2 oz. or fraction thereof, to each separate address.
Parcel Post	20c. for the first pound and 15c. each additional pound or fraction of a pound.

(2) Yukon Parcel Post—Winter Service.—During the winter season, approximately from October first to May thirty-first, parcel post to and from post offices in the Yukon will be suspended, except as follows:

Carcross and White Horse—Rates and Services the same as during Summer.

Teslin—Via Alaska Highway, M.V.S. 25 cents per pound or fraction of a pound (the year round).

Carmacks, Dawson, Fort Selkirk, Mayo Landing, Elsa, Stewart River and *Watson Lake—By air stage service at the rate of 30 cents for the first pound and 25 cents for each additional pound or fraction thereof. This special parcel post rate is also applicable to parcels for interior transmission in the Yukon between any two of these offices.

Parcels prepaid at ordinary (Summer) parcel post rates for offices in the Yukon, other than the above, may be addressed to White Horse, and the addressees may make their own arrangements with the transportation companies operating in the Yukon for conveyance from White Horse to destination.

Care must be taken to ensure that during the Winter season parcel post for the Yukon is accepted only at the rates, and within the limits specified above.

Postmasters will please give this the usual publicity.

*Air stage service and special parcel post rate in effect the year round to and from Watson Lake.

(3) Similarity in Post Office Names.—It is reported that a considerable amount of mail addressed to Churchill, Manitoba, is being delayed by being missent to M.P.O. 1015, Fort Churchill, Manitoba, because it bears an Armed Forces address.

There are several sections of Armed Forces receiving mail through the Post Office at Churchill, Manitoba, and care should be exercised in the sortation of mail for these two offices.

Care should also be exercised in the sortation of mail for the following offices:

Shellbrook, Sask. and Sherbrooke, P.Q.; Cookson, Sask. and Cookstown, Ont.; McLeod, B.C. (formerly Fort McLeod) and Fort McLeod, Alta.

(4) Canada Air Letters and Forces Letters cannot be Registered:—Reports have been received of the occasional acceptance for registration of Canada air letter forms and Forces letters contrary to regulations.

Postmasters are therefore reminded that both these forms must not be registered. Enclosures are also forbidden.

When necessary mailers should be given a suitable explanation.

(5) **Gift Parcels for Canadian Armed Forces abroad must bear a Customs Declaration.**—Parcels for the Canadian Armed Forces serving abroad are still being mailed without Customs Declaration form 91B as required by the regulations governing all parcels for destinations outside of Canada.

Postmasters are therefore reminded that parcels for the Canadian Forces serving overseas must not be accepted without a properly completed Customs Declaration showing complete details of the contents in the usual way. Any parcel presented for mailing without this form is to be handed back to the sender for the necessary action.

It has also been observed that gift parcels for Canadian service personnel abroad are being mailed insufficiently, prepaid. The attention of mailers should when necessary, be directed to the fact that such parcels are liable to postage of 15c. per pound up to the weight limit of 10 lb. and are to be fully prepaid by the mailers.

Postmasters are reminded that it is their responsibility to see that the above regulations are complied with, and that all parcels accepted at their offices are properly prepared for mailing and fully prepaid.

(6) **United States—Air Pistols Prohibited.**—Information has been received from the United States Post Office that the transmission of air pistols or gas pistols in the mails is prohibited as these weapons are considered in the same category as firearms capable of being concealed on the person.

Postmasters and all others concerned are therefore cautioned not to accept letter packages or parcels containing air or gas pistols for transmission to the United States.

(7) **Roumania—Parcel Post—Certificates of Disinfection.**—Information has been received from the Postal Administration of Roumania that parcels containing used clothing must be accompanied by a Certificate of disinfection, otherwise the parcels cannot be delivered.

Interested mailers should be informed of this regulation of the Roumanian Authorities.

INFORMATION FOR POSTMASTERS

(1) Promotion.—Mr. F. J. Colpman has been promoted from Superintendent, Railway Mail Services Division, Communications Branch, to Regional Director Grade 1, Pacific Region, at Vancouver, B.C., replacing Mr. G. A. Boyle, Director of Communications.

(2) Winnipeg—Flin Flon AMS (CAM 8).—The Winnipeg—Flin Flon AMS (CAM 8) has been extended to serve Churchill, Manitoba, effective August 14th and will in future be known as Winnipeg—Flin Flon AMS (CAM 8), Winnipeg—Churchill AMS (CAM 8).

There will be no change in the frequency of the Winnipeg—Flin Flon service. The flights to Churchill, Manitoba, will operate on a frequency of two round trips per week on Tuesdays and Thursdays.

First class mail and parcels prepaid at the air parcel post rates posted at or addressed for delivery at Churchill and Fort Churchill MPO 1015, Manitoba, will be conveyed over this air mail service. Other classes of mail are conveyed by surface tansport at ordinary rates of postage.

(3) Parcels Prepaid at Parcel Post Rates Not Forwarded to Telegraph Creek, B.C. during the Season of Closed Navigation.—Postmasters are reminded that during the season of closed navigation, which extends approximately from the 1st October to the 1st April, the weight of mail carried on this route is limited.

In the circumstances, persons tendering parcels for mailing prepaid at parcel post rates for Telegraph Creek, should be advised that the parcels will be held at Vancouver during the season of closed navigation.

(4) **Undeliverable Mail.**—It has again been brought to the attention of the Department that the addresses on undeliverable mail being returned to sender, are sometimes obliterated to such an extent that the senders cannot establish name and address of addressee. This prevents senders from being able to correct their mailing lists and causes much inconvenience, research and enquiry.

The situation is all the more acute in the case of parcel post which is being returned to sender as undeliverable and for which a signature must be obtained whether the parcel is insured or not.

Postmasters are, therefore, reminded that the addresses on undeliverable mail should be effectively cancelled so as to prevent such articles from being returned to the Post Office of Address, but this must be accomplished in each case by crossing out the address lightly, so as not to render it incapable of being deciphered.

The "Returned to" stamp should not be placed over the original address, but should be as near as possible, and point towards the return address of the sender.

The reason for non-delivery should be stamped or plainly written on the address side of the envelope cover together with a legible impression of the office dating stamp indicating the date of return.

(5) **Model Dater Year Bands.**—The Purchasing and Stationery Division requests that those concerned carefully examine their model dater to find out if the year "1953" appears on the bands, and if not, the dater should immediately be forwarded to the Superintendent, Purchasing and Stationery Division, Ottawa, so that new bands may be placed thereon.

(6) **Rates of Postage on Certain Air Stage Services Where Higher Postage Rates Apply.**—Hereunder are the latest schedules of postage rates applicable on air stage services where higher rates are in effect for certain classes of mail, and an alphabetical list of the Post Offices and Non-Post Office points to and from which these rates apply:—

† Parcel post service suspended during winter.

The ordinary (surface) rates of postage apply to all classes of mail conveyed to and from other Post Offices in Canada served by air stage service not included in the foregoing list.

NOTE:—Schedule D—Aiyansh, second class matter, ordinary surface rates.

(7) **Similarity in Post Office names.**—It is reported that considerable confusion appears to exist in regard to mail addressed to H.M.C.S. Cornwallis and R.C.S.C.C. Cornwallis, N.S.

H.M.C.S. "Cornwallis", Cornwallis, N.S. is the address of the Naval Training Establishment at Cornwallis, N.S., whereas R.C.S.C.C. Cornwallis, Digby, N.S. is the address of the Royal Canadian Sea Cadet Corps at Digby, N.S.

The Postmaster, Lomond, Alberta, reports that a considerable amount of mail is being received at his office intended for Lamont, Alberta and Lacombe, Alberta.

It is also reported that a considerable amount of mail addressed to Rangeview, Sask. is being missent to Ravenscrag, Sask.

A considerable amount of mail is being received at Crichton, Sask. addressed for Creighton, Sask.

Creighton, Sask., is a non-post office point served by Flin Flon, Man.

The Postmaster at Coronation, Alberta, also reports that a considerable amount of mail is being missent to his office addressed for Brownvale, Alberta.

Brownfield, Alberta, is served from Coronation, but Brownvale, Alberta, is a post office served by McLennan and Hines Creek R.P.O.

The Postmaster at Stump Lake, Sask., also reports that mail is being received at his office intended for Stump Lake, B.C.

Stump Lake, B.C. is a non-post office point served by Kamloops Post Office, B.C.

An increasing amount of mail intended for Hudson Hope, B.C. and Port Hope, Ont. is being received at Hope, B.C.

Care should be exercised in the sortation of mail for these places.

(8) **Republic of Ireland—Prohibitions.**—Information has been received from the Postal Administration of Ireland that the entry of tinned fowl to that country is prohibited. Parcels containing such articles are therefore not to be accepted for transmission to the Irish Republic.

Appropriate explanation should be made to interested mailers.

(9) **Registration Service to and from The Canadian Armed Forces in Korea and Germany.**—Effective immediately domestic fees and scale of indemnities apply while in the custody of the Canadian Postal Service to registered mail matter to and from the Canadian Armed Forces in Korea and Germany.

However, it should be specially observed that in order to qualify for this concession, registered matter from the troops must be mailed at a Canadian Army Post Office and be prepaid with Canadian postage stamps.

(10) **United States—Increased Domestic Postage Fees Applicable to Mail for Delivery in Canada**—effective 1st September, 1952.

Special Delivery Fees—(Letter mail only)

Up to 2 lb.	30c.
Over 2 lb. not over 10 lb.	35c.
Over 10 lb.	50c.

Registration Fee.

The United States Domestic registration fee applicable to mail addressed to Canada is now 40c.

Insurance Fees—(Parcel Post)

Amount of Insurance and Insurance Fee

Up to $5.00	5c.	$10.01 to $25.00	15c.	$50.01 to $100.00	30c.
$5.01 to $10	10c.	$25.01 to $50.00	20c.	$100.01 to $200.00	35c.

(11) **China—Registration Service Suspended Except to the Island of Formosa (Taiwan).**—Reports are still being received of the despatch of registered articles for delivery in continental China in spite of the suspension of this service as indicated in the March 1952 supplement. The articles in question are, therefore, non-transmissible.

Postmasters and all others concerned are urgently reminded that registration service to continental China and all other destinations in that country, except the Island of Formosa (Taiwan), is suspended. Unless the word "Formosa" (or "Taiwan") appears in the address of mail, the articles must not be accepted for registration as they cannot be given transmission.

Appropriate explanation should be made to mailers.

(12) **Sample Post—To be appropriately marked.**—Information has been received from the Postal Administration of Turkey that packages sent by sample post to that country are not always marked to indicate the nature of contents, as required by international regulations.

Articles sent by sample post to Turkey and all other countries should be prominently marked "Sample" (or "Echantillon") to indicate the class of mail, and thus obviate any possibility of the collection of additional postage.

Mailers should be reminded of this regulation when necessary.

(13) International Reply Coupons—Restricted Sale and Exchange.—The purpose of International Reply Coupons is to prepay replies to letters sent to other countries, where each is exchanged by post offices for the postage necessary to prepay a single rate letter. The coupons cannot be used for remittances, or any other purpose than the prepayment of postage.

Postmasters should, therefore, note that mailers ordinarily require only a very small number of reply coupons at one time. If they are requested in large numbers, the Director of Administration should be informed before any action is taken. Similarly if reply coupons in large quantities are presented at a post office to be exchanged for postage stamps, the Department is to be advised before complying with the request.

The above procedure is also applicable to U.P.A.E. Reply Coupons, i.e. of the Postal Union of the Americas and Spain (which are exchanged in Canada, but not sold) as well as to British Commonwealth Reply Coupons.

Postmasters should see that all concerned at their offices are aware of the procedure outlined above in order to avoid any possibility of irregularity.

(2) **Despatch of Mail for the North Shore of the River and Gulf of St. Lawrence, Winter Season, 1952-53.**—During the winter season effective from the 1st December, 1952, all classes of mail for the following post offices should be forwarded on Quebec for despatch.

OFFICES ON THE NOTH SHORE OF THE RIVER AND GULF OF ST. LAWRENCE

(3) **Change in Mail Service to Hay River, N.W.T.**—Effective immediately, the Post Office at Hay River, N.W.T. will be served tri-weekly by motor vehicle service from Peace River, Alta. and not by the Mackenzie River Air Stage Service (CAM. 57).

First, second and third class mail posted at or addressed for delivery at Hay River, N.W.T. will be subject to the ordinary surface rates of postage in future.

Parcels addressed for delivery at Hay River will be subject to the rate which would ordinarily apply to parcels mailed from any point in Canada for delivery in the Province of Alberta.

(4) **New Air Mail Service Vancouver-Kitimat AMS-(CAM 21).**—A new Air Mail Service has been established between Vancouver, Ocean Falls and Kitimat, B.C. This Air Mail Service, effective September 15th, will operate to Ocean Falls on a frequency of two round trips per week on Mondays and Fridays.

Kitimat will be served on a frequency of one round trip per week, on Saturdays.

All first class mail and parcels prepaid at the air parcel post rates will be conveyed over this air mail service. Other classes of mail are conveyed by surface transport at ordinary rates of postage.

(5) Similarity in Post Office Names.—The Postmaster at Blueberry Creek, B.C. again reports that mail is being received at his office addressed to Blueberry, a non-post office point on the Alaska highway.

Blueberry is served through Fort St. John, B.C.

The Postmaster, Fairmont Hot Springs, B.C. reports that mail addressed to R.C.M.P. Training Centre, Fairmont Barracks, Vancouver, B.C. is being missent to his office.

The Postmaster, Charlottetown, reports that a considerable amount of mail is being received at Charlottetown, in the Magdalen Islands mail addressed, to Grang Etang, Gaspé County, P.Q. along with mail addressed to Grand Etang, N.S. It is thought that this mail is being confused with that for Grand Entry, Magdalen Islands.

Mail addressed to Lance au Loup, Labrador, is also being received with the Magdalen Islands mail. This is perhaps being confused with Pointe au Loup, Magdalen Islands.

A considerable amount of mail addressed to Rockyford, Alberta, and a Rockford in the United States is being received by the Postmaster at Endeavour, Saskatchewan, intended by mistake for Rockford, Saskatchewan, which is served twice weekly through Endeavour.

The Postmaster at Fox Valley, Sask., reports that mail is being received at his office addressed to Sturdee, Sask., an office which was served by the Fox Valley Post Office many years ago and which has been closed for some years. There is a non-post office point called Sturdee which is a siding four miles east of Yorkton. Residents at this place receive their mail at the Yorkton Post Office.

Care should be exercised in the sortation of mail to these places.

Care should also be exercised in the sortation of mail for Haskett, Manitoba and Hesketh, Alberta.

(6) Gift Parcels for Canadian Armed Forces in Germany—Coffee Prohibited.—Information has been received that coffee is no longer admissible in gift parcels for members of the Canadian Armed Forces serving in Germany, addressed through C.A.P.O. 5050.

Mailers should be informed of this regulation, and any necessary action taken to avoid the acceptance of gift parcels containing coffee for delivery through C.A.P.O. 5050.

INFORMATION FOR POSTMASTERS

(1) Air Stage Service, Prince Rupert-Aiyansh, B.C.—The winter Air Stage Service between Prince Rupert and Aiyansh, B.C. (CAM 68) has been resumed effective October 24th, and subsequently regular trips will be performed on or about the 19th of each succeeding month during the winter season.

The rates of postage applicable to mail conveyed over this route will be as follows:—

First, second and third class matter—ordinary rates.

Parcel Post—30c. for the first pound, and 25c. for each additional pound or fraction thereof.

(2) Charlottetown-Magdalen Islands Winter Air Stage Service.—Postmasters are reminded that with the closing of navigation (about December 15) the ordinary SURFACE mail service to the Magdalen Islands will be discontinued.

In the circumstances second, third and fourth class matter mailed too late to connect with the last sailing to the Magdalen Islands will be liable to the following air stage rates of postage.

Second class matter	When mailed by the public, 2c. for the first 4 oz. and 1c. for each additional 4 oz. or fraction of 4 oz., to each separate address. When mailed from office of publication or from newsdealers to subscribers, 4c. per lb.
Third class matter	Ordinary letter rate or the air parcel rate (see below) at the option of the sender.
Parcel Post	20c. for the first pound and 15c. for each additional pound or fraction of a pound.

(3) Winter Air Stage Service Millertown Junction-Northern Peninsula of Newfoundland and Labrador.—An air stage service has again been authorized for the winter season, effective January 1st to April 30th, 1953, between Millertown Junction, Newfoundland and the Northern Peninsula of Newfoundland and Labrador.

There will be three routes operating from Millertown Junction, two of which will be served on the basis of one round trip per week, with the exception of Groais Island and Horse Island where the service will be on a frequency of one round trip every two weeks.

One round trip per month will be performed to points served by the third route.

Ordinary (surface) rates of postage will apply to all classes of mail carried over this air stage service.

(4) Winter Air Stage Service Gander-Notre Dame Bay and Bonavista Bay areas of Newfoundland.—A new air stage service has been authorized for the winter season, effective January 1st to April 30th, 1953, between Gander and Notre Dame Bay and Bonavista Bay areas of Newfoundland. Service on these two routes will be performed on a frequency of at least one round trip weekly.

Ordinary (surface) rates of postage will apply to all classes of mail carried over this air stage service.

(5) Air Mail Service, Vancouver-Kitimat A.M.S. (C.A.M. 21).—With reference to the notice published in the November Supplement, advice has been received that the Air Mail Service to Ocean Falls has been discontinued. Ocean Falls will in future, be served by surface means.

There will be no change in the frequency of the service to Kitimat.

(6) Calendars.—To be Carefully Handled.—At this time of the year business firms are preparing to mail quantities of calendars to clients and prospective customers throughout the country. The calendars are, in many cases, printed at considerable expense and are valuable not only to the recipient but to the business firm as an advertising medium.

It is important, therefore, that the calendars should be delivered carefully and Postmasters are requested to exercise care in the handling of these items during the course of post.

In the event of delivery not being effected and the calendar bears a return address on the cover, the calendar should be returned to the sender.

(7) Changing of Date Stamp.—The attention of Postmasters is directed to the necessity of changing their office date-stamp at the beginning of the new calendar year to read "1953".

(8) Similarity in Post Office Names.—The Postmaster at Creston, B.C. reports that mail is being received at his office addressed to Creston via Marystown, Nfld.

Creston, B.C. is a post office located on Medicine Hat and Nelson R.P.O., while Creston, Nfld. is a post office served weekly from Marystown, Nfld.

Care should be exercised in the sortation of mail for Fort MacLeod, Alberta, Macleod Valley, Alberta and Fort MacLeod, B.C. The name of the latter has recently been changed to MacLeod Lake, B.C.

It is reported that mail addressed to Hays, Alberta, a non-Post Office point served from Vauxhall, Alberta, is being missent to Haynes, Alberta, and that mail for Monarch, Alberta, is being received at Western Monarch, Alberta.

Western Monarch is a post office served by Drumheller, Alberta.

The Postmaster at Laflamme, P.Q., reports that a considerable amount of mail addressed to Val-Laflamme, P.Q. is being received at his office.

Care should also be exercised in the sortation of mail for these offices.

(9) Damaged Mail Bags.—Reports are reaching the Department that Post Office mail bags, both surface and air mail bags, are being unnecessarily damaged by Post Office employees.

The irregularities in handling are summarized as follows:—

(a) Bags that cannot be unlocked have been opened by splitting the seam to the full extent of the length of the bag, while others have had the cord cut.

(b) Mails bags showing a slight tear have had the tear extended the full length of the bag.

(c) When opening air mail bags by cutting the string, sufficient care has not been taken and the fabric of the bag has been unduly damaged in the process.

(d) Dragging of mail bags over the floors and station platforms, thereby soiling and often damaging both the bag and its contents.

It is considered that the above irregularities, in the main, are attributable to carelessness on the part of employees and it is requested that the attention of all be directed to the care that is to be exercised in the handling of this type of equipment.

It should be pointed out that bags that cannot be unlocked, should have the seam at the side ripped only for a few inches, sufficient to allow all mail to be removed and that under no circumstances should the lock be broken or the cord of grommet and tie-sacks cut.

The dragging of mail bags over station platforms, sidewalks, etc., must not be tolerated.

(10) Japan—Customs Duty on Gift Parcels.—Information has been received from the Postal Administration of Japan that in order to be admitted duty free, gift parcels sent to that country must now comply with the following conditions:—

1. The contents must consist only of articles admissible as gifts for the personal use of the addressee or his family.

2. The parcel must be marked "Cadeau" or "Gift".

3. When a parcel contains one or more articles subject to Customs duty, the total value of the articles, as estimated by Japanese Customs, must not exceed 1,500 yen (about $4.00 Canadian) and the total customs duty and other charges must not exceed 300 yen (about .80).

Parcels sent for charitable purposes direct to orphanages, homes for the aged, and charity hospitals are, however, admitted duty free without restriction.

The weight limit of parcels mailed to Japan is 11 pound.

(11) Registration Service to and from the Canadian Armed Forces Overseas.—The domestic fees apply to registered mail to the Canadian Armed Forces overseas if addressed to a Canadian Army Post Office (CAPO) or a Canadian Naval Post Office (CNPO).

Domestic registration fees also apply to registered mail from the Canadian Armed Forces serving abroad, when prepaid with Canadian postage stamps and mailed at a Canadian Forces Post Office (including offices on Canadian warships).

(12) Canadian Armed Forces in France—Cigarettes and Tobacco Prohibited.—Information has been received that cigarettes and other tobacco products are not admissible in gift parcels for members of the Canadian Armed Forces serving in France addressed through CAPO 5052, c/o Postmaster, Montreal.

Interested mailers should, whenever possible, be informed of this restriction.

(13) Mail for the Canadian Armed Forces in France.—Postmasters are informed that the postal address for personnel of the Canadian Armed Forces serving in France is—

Number
Rank Name
Unit
CAPO 5052
c/o Postmaster,
Montreal, P.Q.

The rates of postage applicable to all classes of mail for our Forces in France are the same as those for other Canadian Forces serving in Europe.

(14) Parcels Originating Outside Canada Must Be Submitted to Customs.—Unless a parcel or package, or any other piece of mail suspected of containing dutiable matter, has been stamped by the CUSTOMS either "DUTY FREE" or "DUTY PAID", it MUST NOT BE DELIVERED BUT MUST FIRST BE SUBMITTED TO THE CUSTOMS FOR INSPECTION.

All Postmasters and postal employees are requested to be on the alert to see that DELIVERY IS NOT EFFECTED of any parcel or package, or other item of mail suspected of containing dutiable matter BEFORE IT HAS BEEN PLACED BEFORE THE CUSTOMS FOR INSPECTION.
